On 13 Apr. 10, at approx. 5:30 pm., in the area of 79th St. and Moody Ave., our eleven year old victim was approached on foot by the above listed offender. The unknown offender asked the victim "which way to the store". The victim then pointed towards the nearest gas station. The offender then asked the victim if he could go with him. At this time, a neighbor/witness, observed what was occurring and yelled to the victim to go home and tell his parents. The offender then began walking e/b from the scene. The offender never attempted to grab or touch the victim. Both the victim and the witness related that the offender appeared to be intoxicated and was wearing a tan in color jacket and blue jeans. The reporting of this incident was delayed by approx. 30 minutes, and a search of the area was negative. Neither the victim or the witness had ever seen the offender previously. A complaint would be signed by the victim's parents.
